MIA POLICIES

By signing this contract, I am indicating that I have decided to abide by MIA expectations and policies. I plan to obtain the funds necessary for my trip. I realize that all moneys received will be submitted to Mission Impact Alliance and will be administered as a personal "support account" that goes toward the mission trip and all monies are non-refundable.

I understand that I will be provided information on raising financial support; however, if full support is not raised, the balance is my responsibility. I understand that I may not begin to raise funds until I am notified of acceptance to the team. In the event that any funds raised exceed campaign costs, I understand that such excess funds may be used to cover other ministry costs. If I am unable to participate in the trip, I will notify Mission Impact Alliance of my cancellation as soon as possible.

In the event that I do not participate in the trip, any charges incurred for me or on my behalf (airline cancellation fees, deposits, etc) will be deducted from my account, and I will be responsible for any deficit. I will pay any deficit within (180) days following notice to me of the amount of such deficit. Gifts become the sole property of Mission Impact Alliance. A gift to MIA is a charitable contribution for federal income tax purposes to the extent permitted by law. In the event I do not participate in the trip, gifts to MIA will go to support other campaign costs.

I fully realize that all costs are my responsibility. 75% of the needed funds are due 60 days prior to departure and 100% of the needed funds are due four weeks prior to departure. Passport and vaccination costs are not included in the trip costs and are the responsibility of the team member.

I am a Christian and believe that the Bible commands Christians to make every effort to live at peace and to resolve disputes with each other in private or within the Christian church (see Matthew 18: 15-20; 1 Corinthians 6:1-8). Therefore, I agree that any claim or dispute arising from or related to this Contract or any fundraising campaign in which I participate shall be settled by biblically based mediation and, if necessary, legally binding arbitration. I understand that these methods shall be the sole remedy for any controversy or claim arising out of this Contract or any such campaign and I expressly waive any rights I have to file a lawsuit in any civil court for such disputes, except to enforce an arbitration decision.
